

**GRAINPRO®**

**HERMETIC BAG™ TWIST & TIE**

Twist & tie closing mechanism

- Recommended for a variety of dry agricultural commodities: coffee, cocoa, seeds, spices, nuts, tea leaves, dried herbs, oil seeds
- Used as an inner liner for jute or PP bags

The **Twist & Tie** acts as an inner liner for jute bags and polypropylene bags. It is sealed using cable ties or heat welding. Commodities can be stored for more than a year without the risk of moisture ingress. It stops insect infestation and inhibits the growth of fungal contaminants without affecting the aroma, color, and freshness. It also preserves the germination rate of stored seeds.
